

instant application, Tessera, Inc., formally known as IST Associates, Inc., is also the owner of U.S. Patent No. 5,148,266. The Terminal Disclaimer is also in compliance with the other requirements of 37 C.F.R. 1.321(c). Applicants do not concede to the comments in the Official Action concerning this rejection.

The submission of the enclosed Terminal Disclaimers are believed to overcome the foregoing rejections of claims 61-76. The Examiner's attention is also directed to the Information Disclosure Statement submitted herewith. The references cited in the Information Disclosure Statement are not believed by the Applicants to be legally available prior art or pertinent to the presently claimed invention. The references cited are cited because they were raised by one or more adverse parties in discussions concerning a related patent.

Applicants note that the remarks in the Official Action state that claims 1-76 are rejected. However, claims 1-60 were cancelled by a preliminary amendment filed with the instant application.

If any fee is due in connection with this response, the Examiner is authorized to charge the same to our deposit account no.12-1095. If the Examiner has any questions concerning this response, the Examiner is encouraged to contact Applicants' attorney at the telephone number below.

Respectfully submitted,
